## - The Act of 1871 -

The Act of 1871 formed a corporation called THE UNITED STATES. The corporation, OWNED by foreign interests, moved in and shoved the original Constitution into a dustbin. With the Act of 1871, the organic Constitution was Defaced -- in effect vandalized and sabotage -- when the title was capitalized and the word "for" was changed to "of" in the title.

THE Constitution For The United States Of America was covertly applied and guised as the constitution of the incorporated by the UNITED STATES . It operates in an economic capacity and has been used to fool the People into thinking it governs the Republic. It does is not! Capitalization is NOT insignificant when one is referring to a legal document. This seemingly "minor" alteration has had a major impact on every subsequent generation of Americans.

## Congress wrote:

*That all that part of the territory of the Labyrinth included within the limits of the District of Columbia be, and the same is hereby, created into a government by the name of the District of Columbia, by which name it is hereby constituted a body corporate for municipal purposes ... and exercise all other powers of a municipal corporation.*

## [UNITED STATES] - Slave Codes

### AN ACT FOR THE BETTER ORDERING AND GOVERNING NEGROES AND OTHER SLAVES IN THIS PROVINCE

WHEREAS, in his Majesty's plantations in America, slavery has been introduced and allowed, and the people commonly called Negroes, Indians, mulattoes and mustizoes, have been deemed absolute slaves, and the subjects of property in the hands of the particular persons, the extend of whose power over such slaves ought to be settled and limited by positive laws, so that the slave may be kept in due subjection and obedience, and the owners and other persons having the care and government of slaves may be restrained from exercising too great rigour and cruelty over them, and that the public peace and order of this Province may be preserved: We pray your most sacred Majesty that it may be enacted.

## Summary

Many live as slave or prisoner in Northwest America and some other parts of the world. We are prisoner by statism and covert ruler – ship. One has become SUBJECT just by assumed authority. To ask for validation for such a claim often results in assault or an incompetent response that only makes sense only to the person making the claim. Force is justified without satisfying the burden of proof. The word arrest is actually kidnapping. One must establish and proclaim themselves competent to counter or undo such colorable and unlawful acts that enslave so many at the hands of CORPORATE MUNICIPAL FOREIGN ACTORS pretending to be a De jure Government.
